SUPREME

I M P O R T S

A company you can trust

Supreme are experts in manufacturing, distribution and market knowledge. We offer a world-class service to more than just one product category meaning we have insights and expertise that other contract manufacturers simply cannot offer. Over the last year we have invested in state-of-the-art machinery to produce **high quality** wellness products from our own factory.

UK Manufacturing Facility

From our state-of-the-art manufacturing facility in Manchester, VN Labs are able to produce a wide range of powdered and tablet products under the wellness category for Supreme. Alongside our own factory, we also have access to some of the countries top baking facilities to be able to offer some of the best quality protein bars and snacks on the market.

Our team of product **development** and **manufacturing experts** are able to mix a wide range of formulas to create a comprehensive product range for our own brands, and own label products.

All products are made to the strictest of manufacturing requirements and are made to demand so they are as fresh as possible upon dispatch.

THE FIGHT FOR HEALTHY SNACKAGE

We are best known for our classic Battle Bites protein bars. Each bar packs 20g of protein and less than 4g sugar. Unlike other brands, Battle Bites offer a softer dessert-inspired protein bar experience because baked protein bars always taste better.

Sugar lovers can now indulge without the guilt. Whether enjoyed as a mid-morning snack, afternoon pick-me-up or just because, our cake-like bars are delicious without the calorie or carb count of most store-bought confections!
